BRISBANE GIRLS GRAMMAR SCHOOL

Nil sine labore LIVES ENRICHED BY LEARNING

FROM THE PRINCIPAL

MS JACINDA EULER WELSH
PRINCIPAL

Selecting the right school for your daughter is one of the most important decisions you will make.

We all want what is best for our children, and to know that they will be educated within a caring school community. Parents hope their daughters will discover the joy of learning, question and be curious, and develop into confident, well-rounded young women. Educating and caring for girls is our School's area of expertise, and we are proud of the academic traditions and values that shape our culture. The School's broad, liberal approach to education combines compulsory participation in a balanced curriculum, the development of higher-order thinking skills, and systematic curiosity in learning and research.

The School's extensive Co-curricular Program, including sporting, cultural, service and leadership activities, provides a fundamentally important layer of diverse opportunity for our students' development. This balance of academic and life-wide learning experiences creates a strong foundation that prepares girls to enter the world beyond school as thoughtful, resilient, and confident young women. At Girls Grammar, we believe experiencing learning beyond the classroom is an essential part of the social, emotional, and cognitive development of students. Our all-inclusive fee structure ensures students have every opportunity to pursue their interests and experience a balanced education. Brisbane Girls Grammar School is academically non-selective in our main year of entry (Year 7); however, our students' academic achievements are remarkable. The School is consistently ranked as one of the top-performing in the state and continues to perform exceptionally well in the Australian Tertiary Admission Rank (ATAR) system, and National Assessment Program for Literacy and Numeracy (NAPLAN) tests for Years 7 and 9.

The facilities, resources and learning spaces are of the highest quality. In addition to the School's Main Campus at Spring Hill, Girls Grammar maintains the Marrapatta Memorial Outdoor Education Centre in the Mary Valley, the only outdoor education facility operated by a girls' school in Queensland.

The 13-hectare Rangakarra Recreational and Environmental Education Centre at Fig Tree Pocket provides the School with its own sports fields and we continue to expand the environmental education facilities available at Spring Hill.

The Floreamus Centre, a combined space for the School's Health Centre and School Counsellors, was opened in 2021 to provide students access to health services throughout the School day. The Centre comprises an interdisciplinary team of clinical psychologists, school nurses and mindfulness practitioners who provide high-quality education and primary care to ensure Grammar girls are socially, emotionally, and physically at their best and ready to learn.

I will be excited and honoured to welcome our first Year 5 and 6 students into Brisbane Girls Grammar School in 2026. The Junior School will be an inspiring and nurturing environment where girls can discover, play, make friends, experiment and enjoy the rewards of their efforts. The Junior School building at Spring Hill will be the girls' haven, housing classrooms, a library, tuckshop, and spaces for play.

Creating a warm and welcoming community of support for girls is important and is developed through a comprehensive, systematic framework of student care. The House system enables the School to nurture girls' intellectual, emotional, and social development, while our expert teachers and specialist staff support girls to receive the understanding, care and guidance they need during the crucial stage of adolescence.

At Brisbane Girls Grammar School, we work in partnership with families to provide a range of opportunities for you to contribute to your daughter's experience. We look forward to welcoming your family to the School and guiding your daughter towards her future.

AT A GLANCE

School founded	1875
Campuses	Main Campus at Spring Hill Marrapatta Memorial Outdoor Education Centre in the Mary Valley Rangakarra Recreational and Environmental Education Centre at Fig Tree Pocket
Students	1550 students enrolled in 2024
Houses	Beanland, England, Gibson, Griffith, Hirschfeld, Lilley, Mackay, O'Connor, Woolcock. New Junior School Houses will be introduced in 2026.
Liberal education	The curriculum is designed to nurture a broad, liberal education that inspires girls to bravely pursue their aspirations, and to test the unfamiliar. Our vibrant learning environment aims to foster exceptional scholarship, and a culture of deep learning that stretches the boundaries between and within quality teaching, learning and thinking.
Academic results	Although academically non-selective, in the main year of entry, Year 7, Girls Grammar consistently achieves outstanding academic results across NAPLAN and ATAR.
Outdoor Education	The School has a dedicated campus, Marrapatta Memorial Outdoor Education Centre, in the Mary Valley. Outdoor Education is a core part of the curriculum where students develop personal, social and leadership skills.
Co-curriculum	Grammar girls are encouraged to extend and explore their interests, passion and knowledge through their choice of co-curricular activities including sport, music, service, debating, public speaking and performing arts.
Languages and study abroad	At Girls Grammar, language learners develop communication skills that enhance their capacity for problem solving and divergent thinking. In Years 7 to 11 students have the option of learning Latin, German, Japanese, Chinese and French and can participate in local and overseas study tours, as available, to immerse themselves in language and culture.
Sport	Grammar girls can participate in a wide range of competitive sports, which foster important leadership, decision-making and teamwork skills, that are highly valued in future careers and life pursuits.
Music	The Instrumental Music Program offers a place for every girl who wants to explore her musical talents and interests. The breadth of performance opportunities offered at the School ensure that girls of all ages, musical interests, and abilities will have the chance to practise and hone their skills.
Service	Girls Grammar students are encouraged to take judicious, ethical and purposeful action to advocate for a more just world.
Drama	Drama students have opportunities to collaborate in writing, producing, directing and performing unique productions.
Grammar Women	Grammar Women pursue careers in diverse fields and are generous in sharing their stories with the Girls Grammar community. Notable alumnae include: cancer researcher, Professor Adele Green AC (1970); Australia's first female stockbroker, Margaret Mittelheuser AM DUniv (1947); Australia's first female High Commissioner to South Africa, Ann Harrap (1984); prominent Australian mathematician, Professor Cheryl Praeger AC (1965); Queensland Supreme Court judge, Justice Margaret McMurdo AC (Hoare, 1971); sportswoman, Daphne Pirie AO MBE (Welch, 1949); Air Vice-Marshal, Julie Hammer AM (1971), the first woman Air Commodore in the Australian Defence Force; pioneering cardiothoracic and heart and lung transplant surgeon, Dr Emily Granger (1991); and four recipients of the prestigious Rhodes Scholarship, Josephine Auer (2015), Dr Caitlin Goss (2001), Dr Elsin Wainwright (1988) and Dr Beth Woods OAM (1972), who was one of the first Australian women to ever receive this scholarship.

2023 ACADEMIC RESULTS

The School is exceptionally proud of its students' academic achievements and the valuable contributions Girls Grammar alumnae go on to make in their lives beyond School.

In 2023, the School's dedicated, caring, and expert staff once again supported students to maximise their individual learning potential. The School's students continued to receive strong results in the National Assessment Program—Literacy and Numeracy (NAPLAN), and in the system of senior assessment, the Australian Tertiary Admission Rank (ATAR).

Girls Grammar is academically non-selective with places offered in strict date order of submission of application. The School offers no scholarships and is one of the few schools in Queensland whose entire Year 12 cohort is ATAR-eligible.

2023 TERTIARY OFFERS

OFFERS	PER CENT OF GIRLS GRAMMAR COHORT
Tertiary Places Offered	99.6%
Bachelor Degree	99.6%

YEAR 12 2023 AUSTRALIAN TERTIARY ADMISSION RANK RESULTS

The 2023 Year 12 cohort attained outstanding results in the ATAR system. These results continued the School's history of strong achievement in the ATAR system, and in previous systems of senior assessment.

ATAR RANGE	PER CENT OF GIRLS GRAMMAR COHORT*
99 and above	13.48%
98 and above	29.57%
95 and above	62.17%
90 and above	85.22%
80 and above	95.22%
Median	96.30

*100% of all students completing Year 12 studies in 2023 were ATAR-eligible. The reported outcomes are based on the ATAR values disclosed to the School, which represents 97.05% of this cohort.

2023 NAPLAN RESULTS

	Year 7	Year 9
Reading	620	647
Writing	609	653
Spelling	602	626
Grammar and Punctuation	622	660
Numeracy	617	657

Brisbane Girls Grammar School is consistently one of Queensland's top-performing secondary schools in The Australian National Assessment Program—Literacy and Numeracy (NAPLAN) testing.

In 2023, the School was ranked as the second-highest-performing secondary school in the State. The results are a strong endorsement of the School's rigorous academic programs and immersive learning culture.

\ CURRICULUM

Years 5 and 6

The academic program in Years 5 and 6 focuses on developing the whole student. Our youngest Grammar girls will be encouraged to be creative and inquisitive in their learning and to enjoy encountering new subjects before they progress into the Senior School.

Junior School students will benefit from the resources and opportunities a BGGGS education offers with a model that is appropriate for primary-aged girls and of a standard equal to—but distinct from—the educational offering for which our School is renowned. The tailored Junior School experience will comprise separate academic, co-curricular, and pastoral care (including student leadership) models delivered in a nurturing environment that prepares students, in a developmentally appropriate manner, for secondary schooling.

The curriculum

The Junior School curriculum is informed by the Australian Curriculum, with Years 5 and 6 students studying:

- English
- Mathematics
- Science
- Health and Physical Education
- Humanities and Social Sciences
- Digital and Design Technologies
- Creative Arts: Music, Visual Art and Drama
- a Language.

Subjects are taught by a combination of classroom teachers and specialist teachers. In addition to a tailored wellbeing program, students will also access the Outdoor Education Program and participate in a range of excursions.

Years 7 to 12

The secondary school curriculum is underpinned by a dynamic 21st century focused School-wide Pedagogy model in which students are challenged. Our curriculum reflects our approach to discipline-specific, deep learning. Across the School's academic programs, the focus is on teaching students how to critique information wisely and creatively. By emphasising the capacity of an individual to learn, we encourage our students to embrace academic challenges with a growth mindset.

Teachers at Girls Grammar help students to develop skills in disciplined and critical inquiry to foster deeper understanding. They are taught to understand the connectedness across different contexts, empowering them to become confident, independent thinkers. The subject offering is grounded in the Grammar school tradition and girls are encouraged to build a personally motivating curriculum that appeals to their strengths and interests.

Year 7

The Year 7 curriculum comprises English, Mathematics, Science, Humanities, Health and Physical Education (HPE), Visual Art, Drama, Music, Technologies, and Languages (Latin, Chinese, French, German and Japanese—students choose one language per semester).

Participation in the annual Outdoor Education program—held at the School's Marrapatta Memorial Outdoor Education Centre—is an integral part of the curriculum for students across Years 7 to 9.

Year 8 and Year 9

The Year 8 curriculum comprises the core subjects of English, Mathematics, Science, History and Health and Physical Education. Year 8 students study one language and they may select from one of the languages they studied in Year 7 (Latin, Chinese, French, German and Japanese).

In addition, students select two elective subjects from Visual Art, Design and Digital Technologies, Drama, Geography, Music and a second language.

Year 10

In Year 10, students study core curriculum comprising English, Mathematics (as either Mathematical Methods: preparatory or General Mathematics: preparatory), a Science (Biology, Chemistry or Physics) and a Humanities subject (Accounting, Ancient History, Economics, Geography or Modern History). Students select three electives from the following subjects: Accounting; Ancient History; Biology; Chemistry; Chinese; Design; Digital Solutions; Drama; Economics; French; Geography; German; Japanese; Latin; Literature; Modern History; Music; Physical Education; Physics; and Visual Art.

Years 11 and 12

Traditionally Girls Grammar students pursue university studies upon graduation and the School's senior curriculum reflects this. In Years 11 and 12, the subjects offered are Queensland Curriculum and Assessment Authority (QCAA) General subjects and students must study six subjects unless determined otherwise in extenuating circumstances. English and one Mathematics subject (either Mathematical Methods or General Mathematics) are compulsory and students may select from the following for their remaining four subjects: Accounting; Ancient History; Biology; Chemistry; Chinese; Design; Digital Solutions; Drama; Economics; French; Geography; German; Japanese; Latin (a QCAA Senior External Examination [SEE] subject); Literature; Mathematics Methods; General Mathematics; Specialist Mathematics; Modern History; Music; Physical Education; Physics; and Visual Art. In Year 12 students may apply to study English and Literature Extension and/or music Extension.

Currently, graduating students receive:

- a Senior Statement showing all studies and results achieved
- a Queensland Certificate of Education—students must gain 20 credit points from a list of recognised studies at a minimum standard
- an Australian Tertiary Admission Rank (ATAR) as calculated by the Queensland Tertiary Admissions Centre, for all graduating students meeting ATAR study requirements.

OUTDOOR EDUCATION PROGRAM

Outdoor Education has been an important element of the School since 1978 when it was recognised that such a program would provide myriad opportunities to expand girls' learning, knowledge and life skills.

The School's sequential program is constructed to support students to work independently, and with others, as they grow in confidence and capability. The School's experienced Outdoor Education staff design learning activities tailored to each Year level, which complement and expand on girls' learning at the Main Campus.

Marrapatta Memorial Outdoor Education Centre is where students discover a vibrant world of outdoor learning opportunities. The Outdoor Education curriculum is a unique experience that complements and synergises learning from the Main Campus into real world scenarios.

Years 5 and 6

In 2026, the School's Outdoor Education offering will be expanded to include Year 5 and 6 students. The Outdoor Education program immerses students in experiences that encourage them to identify problems, consider solutions collaboratively, and engage meaningfully with those around them.

Outdoor activities provide diverse stimuli, and the learning and personal growth that occurs through the Brisbane Girls Grammar School Outdoor Education Program is designed to develop students' skills and understanding of self, others, and the environment.

Years 7 to 12

The School's Outdoor Education Program inspires in our girls the confidence that they can solve problems and work through discomfort to develop new skills and understanding, no matter what the sphere. It also helps build their appreciation for both the natural world and their peers, and—importantly—for themselves.

The three key focus areas of the program are:

- personal discovery and reflection
- social development
- environmental appreciation and awareness.

This carefully considered program is provided to students progressively through Years 7, 8 and 9. In the early stages, girls are encouraged to develop a sense of place and explore what makes Marrapatta unique. As they work through the program and build skills and confidence in their own capacity, they are given more opportunities to think and work interdependently.

Outdoor activities are used to engage students and focus on building specific skills and qualities. For example, canoeing encourages girls to communicate effectively and work as a team to achieve a goal. On expedition, girls bike ride, canoe or walk to reach a destination—the journey together is as important as the destination itself.

In the senior years, students can take part in volunteering initiatives and programs such as Grammar Goes Green and the Duke of Edinburgh Award. Outdoor Education at Girls Grammar provides students with authentic learning experiences and unforgettable memories.

CO-CURRICULUM

Girls Grammar believes that providing experiences outside of the traditional classroom setting is an invaluable aspect of learning and development.

Grammar girls are encouraged to explore their skills and interests through a diverse range of co-curricular activities. Each student has the opportunity to be involved in a variety of pursuits including service, performing and visual arts, music ensembles, sport and activities such as science olympiads, study tours, debating, and public speaking.

Designed to complement and balance the curriculum, these programs encourage friendship, participation, teamwork, self-confidence, and creativity. Additionally, girls take on a variety of leadership roles that provide opportunities for significant personal development. A Girls Grammar education recognises the strengths and needs of the individual and seeks to draw out the very best in every girl, whatever her passions and interests may be.

Years 5 and 6

Fitness, health and wellbeing

A range of activities will encourage participation, skill development, friendships and wellbeing:

- RunFit—sessions designed for students wishing to improve their aerobic fitness, while training with friends and teammates
- SwimFit—these sessions help students build their fitness and refine their swimming skills
- FunFit—workouts that involve students working as a team in small groups
- Rock climbing—the School’s climbing wall has different levels of ability to encourage tackling personal challenges.

Interhouse competitions

The Junior School’s four sporting houses will allow girls to participate in a range of sporting activities and compete for their House at Interhouse Carnivals.

These include:

- Interhouse Swimming
- Interhouse Cross Country
- Interhouse Athletics.

The Interhouse competitions encourage friendly competition and also provide scope for sports leadership positions.

Instrumental Music

As part of the School’s Instrumental Music Program, students can participate in:

- Group Music lessons
- Junior Ensemble Program
- Orchestra, band and choral groups

Team sport

Sport in Years 5 and 6 will have a social focus to encourage participation, with a competitive element provided through interschool competitions. Students will train in their chosen sport and will be able to choose from two to three sports each term. The following are indicative sports for Years 5 and 6 students:

Term 1—Ball Games, Oztag, Swimming

Term 2—Tennis, Football, Athletics

Term 3—Touch Football, Cross Country, Netball

Term 4—Australian Rules Football (AFL), Water Polo, Cricket

Interschool sport

Girls Grammar will provide interschool competition for students in Years 5 and 6, through Sport Gala Days (each term) and regular fixtures with other girls’ schools.

Club competitions

Students are eligible to compete in BGGGS teams in club competitions for:

- Netball
- Water Polo (Year 6)
- a range of academic competitions.

Service activities

- Jump Rope for Heart
- Save the Children
- World Vision.

Debating, Drama and Dance

Students will be able to compete in Debating competitions, Drama performances and Dance events.

CO-CURRICULUM

Years 7 to 12

School Service

Girls Grammar has a proud and strong service culture and believes that providing opportunities for students to give back to the community is a vital component of our Co-curricular Program. Through a wide range of clubs, activities and service committees, Grammar girls are encouraged to create meaningful links with the wider community as they raise funds for charities and worthy causes and help create awareness about issues on a local and global scale.

The Service Program enhances the girls' sense of purpose and gratitude and contributes to their personal, social and emotional development. They gain a deeper appreciation and understanding of issues affecting people in our society, and a positive sense of community, while learning how to develop successful projects that can make a difference to the lives of others.

The School's Service Groups include: World Vision; Australian Cervical Cancer Foundation; Second Chance Program; Indigenous Literacy Foundation; ANZAC Day Commemorative Committee; The Pyjama Foundation; Young Care; Coffee Brigade.

Debating

Debating promotes self-confidence and the skill of logical thinking and expression. A debater learns to work as part of a team to achieve shared goals, organise ideas, and construct effective arguments. The School competes in several competitions including the Queensland Debating Union (QDU) competition, which occurs in Terms 1, 2 and 3, and Brisbane Girls Debating Association competition (BGDA), which is held in Terms 1 and 2. Mooting is also offered in Terms 2 and 3 to students from Years 10, 11 and 12. There are other public speaking and debating opportunities available to interested students throughout the year.

Drama

Girls Grammar offers several dramatic and artistic activities through the Co-curricular Program:

- Drama Productions—annual Junior and Senior Drama Productions
- The Drama Studio—an inclusive club that encourages students from Years 7-11 to participate in various drama activities and performance opportunities (with guest artists/directors)
- Grammar Dance—girls enjoy exploring different dance genres, extending their skills, flexibility and strength, as well as choreographing works for performance.

Duke of Edinburgh Award

The Duke of Edinburgh Award is a leadership program that encourages young people between the ages of 14 and 25 to participate in a large cross-section of experiences and activities. Students are exposed to a variety of new activities, which combine to make a challenging program. The Award is intended to develop qualities of maturity, self-confidence, responsibility, and willingness to help others.

There are three Award levels: Bronze; Silver; and Gold. Participants organise their own program, choosing activities for each section of the Award and log the time spent on each activity. Each level requires students to complete a practice and qualifying Adventurous Journey, and students have the opportunity to participate in these expeditions three times throughout the year.

Instrumental Music

At Brisbane Girls Grammar School, we believe that music is for everyone. In the School's Instrumental Music Program, students develop qualities of leadership, responsibility, discipline, commitment and teamwork. Girls Grammar strives to bring out the best in each student, from elementary level learning to diploma level performance. For students who already play an instrument, the School has places for all who wish to be involved, with more than 700 girls participating across 32 performing ensembles in three core music domains—strings, band and choir. The bands and orchestras are carefully graded to provide opportunities at all levels of proficiency. The three extension choirs provide places for experienced singers, while four core choirs provide unlimited places for all who love to sing. Enthusiastic and specialist music staff provide instrumental and vocal tuition in small groups at no additional cost. For those wishing to pursue Australian Music Examinations Board (AMEB) exams, private tuition is available at standard rates.

The School strongly encourages all students who have not had the opportunity to try music before to take up an instrument. All beginners will also be included in a band or orchestra upon commencing their lessons.

Subject to demand, tuition is also available in the following:

BRASS: Trumpet, Trombone, Euphonium, French Horn, Tuba

STRINGS: Violin, Viola, Cello, Double Bass, Electric Bass

WOODWIND: Flute/Piccolo, Clarinet, Oboe, Bassoon, Saxophone

OTHER: Electric Guitar*, Classical Guitar*, Electric Bass Percussion, Drum Kit*, Chamber Music, Contemporary Voice*, Classical Voice*, Piano*

*Private tuition only

Sport

The home of sport at Brisbane Girls Grammar School is Rangakarra Recreational and Environmental Education Centre. Rangakarra is a 13-hectare home venue for competitive sports including Cricket, Football, Touch, Hockey and Cross Country invitational meets, as well as a training venue for other sports offered by Girls Grammar.

Rangakarra complements the sports facilities at the Main Campus in Spring Hill—including the McCrae Grassie Sports Centre and swimming pool complex.

The School's Sports Program currently offers 18 competitive and several non-competitive sporting activities. The School is a member of the Queensland Girls Secondary Schools Sports Association (QGSSSA) competition and participates in a range of Brisbane club associations. In addition, students participate in a comprehensive Interhouse Sports Program.

Current competitive sports include: Artistic Gymnastics; Athletics; Australian Football; Badminton; Basketball; Cricket; Cross Country; Fencing; Football; Hockey; Netball; Rhythmic Gymnastics; Rowing; Swimming; Tennis; Touch; Volleyball; and Water Polo.

Strength and Conditioning, Rock Climbing, and general fitness activities are also offered.

CO-CURRICULUM

Clubs and Activities

The diverse range of clubs and special interest activities available at Girls Grammar give students abundant opportunities to deepen their understanding and expand their skills, while enjoying themselves and making friends. Many activities have a real-life or community focus and provide appropriate challenges that help develop leadership, maturity, complex reasoning and responsibility.

Options include:

- Anime Club
- Apollo
- Art Walks
- Art Workshops
- Astronomy Club
- Calligraphy
- Chess and Games Club
- Chinese Club
- Digital Photography Club
- Gwen Harwood Society
- Japanese Club
- Kleio Society
- Libellum
- Publications Committee
- Textile Innovation Club
- UN Club.

Extension Activities

The range of Extension Activities gives girls the opportunity to challenge and extend themselves in specific areas of interest. While many of these activities and competitions have a firm foundation in curriculum—for example, the wide range of opportunities within Sigma Maths—others such as Opti-MINDS, Student Entrepreneurs, and Future Problem Solving provide girls with the opportunity to think more laterally and synthesise their knowledge and learnings from a range of subjects.

Options include:

- Athene
- Australian Science Olympiads
- Conrad Challenge
- ECOMAN
- Future Problem Solving
- Grammar Young Writers Workshop
- History Competitions
- International Young Physicists Tournament (IYPT) Australia Challenge
- Junior Young Physicists Tournament (JYPT)
- Merle Weaver Public Speaking
- Opti-MINDS
- Robotics
- Sigma Maths
- Songwriting and Composing Competitions
- STARS
- Student Entrepreneur Weekend
- Titration
- World Scholars Cup.

STUDENT CARE AND THE HOUSE SYSTEM

Student Care at Girls Grammar is responsive to the needs and developmental age of the individual. The School believes student wellbeing is the responsibility of every teacher in every classroom, and has a team of dedicated staff, including clinical psychologists, who oversee the social and emotional aspects of the girls' education.

Years 5 and 6

The School has designed a range of educational opportunities to enable Year 5 and 6 students to thrive within an environment that will allow them to feel secure and engaged in all elements of the primary school experience. Through wellbeing initiatives, our youngest Grammar girls will be supported to develop into secure and confident young women.

The House environment and the Student Care Program allow girls to feel comfortable to be themselves, and to grow in confidence in an atmosphere where they feel a sense of safety, community and belonging.

A culture of belonging is at the heart of the Girls Grammar Junior School, offering an inclusive environment that values diversity, interdependence and authentic relationships. Students will be supported to feel a sense of belonging and wellbeing.

Each girl is known individually and valued for her unique character and abilities. In this caring environment, girls will be free to explore their sense of self, while contributing to the wider School community through inclusive participation, and leadership opportunities.

Students begin each day with their core class, where they will know both their core teacher and classmates well. Delivered by their core teacher, Year 5 and 6 students have dedicated lessons that follow a best practice, evidence-based and individualised wellbeing curriculum.

Student Care in the Junior School introduces concepts and strategies that empower students to build friendships and respectful relationships, understand their body and mind, and find their purpose and meaning.

The Junior School's Houses will encourage loyalty and spirit, with sporting competitions for girls to meet and engage with students outside of their core class, encouraging deeper connections and identity within the Girls Grammar community.

Students will be supported to balance study and play, activity and quiet time. In the classroom they will benefit from teachers who pay attention to the necessary balance of learning alongside enriching co-curricular activities, play and exploration.

A close partnership between staff, students and Junior School families will be essential to ensuring students can become their very best. In addition to a range of parent information events held throughout the year, Girls Grammar provides parents with online resources from leading experts and peak parenting bodies across Australia. Staff and parents work collaboratively to support students' intellectual, emotional and social development.

Years 7 to 12

Through the Student Care Program, all students learn about principled behaviour with regard to their peer-group relationships. They learn to be curious, independent thinkers, and to embrace challenge.

The House System underpins our student care approach and each girl is assigned to one of nine Houses upon entry to the Senior School. The girls are cared for by their Head of House and House Group teacher. In addition, two House Captains are elected from the Year 12 cohort for each House and each new student is paired with a Year 12 buddy from their House. The House System builds interconnectedness and girls gain a sense of belonging, which is fundamental to their ability to develop and grow socially, emotionally, and intellectually. Various interhouse competitions—including Cross Country, Athletics, Swimming and House choir—unite the girls as they strive to achieve success in a supportive and joyful environment.

Each year, guest speakers are invited to present at House and Year Level Ethics Assemblies. This program is designed to inform and motivate students about the importance of personal wellbeing, ethical and exemplary behaviour, building self-esteem and earning respect through personal-best achievement and service.

Research shows there are strong links between positive wellbeing and academic success, and our Student Care Team have implemented a number of programs to enrich student wellbeing by encouraging balance in everyday life. Initiatives include a whole-school approach to mindfulness, evidence-based Ethics programs, and physical 'Play At Lunch' activities organised by Year 12 Prefects.

／ LIFE BEYOND GIRLS GRAMMAR

A Girls Grammar education equips Grammar Women for life beyond the picket fence; they are adaptable young women who readily embrace challenge, experience growth through performance and develop grit and determination.

Upon graduating from Girls Grammar, the overwhelming majority of graduates go on to undertake tertiary study at Australian and international universities. Reflecting our life-wide approach to learning, a smaller number of students choose to defer their studies and take part in organised exchanges, employment opportunities or volunteer work.

The class of 2023 received offers from tertiary institutions including:

- Australian National University, Bond University, Griffith University, James Cook University, Monash University, Queensland University of Technology, University of Melbourne, The University of Queensland, University of Sydney, University of New South Wales, University of Wollongong, University of Canberra, University of Tasmania, University of Adelaide, Durham University, England and Northampton University, England.

Past student, Manuri Gunawardena (2010)

Determined to improve patients' knowledge of, and ability to access clinical trials, Ms Gunawardena co-founded HealthMatch—a clinical trial matching platform.

Grammar girls have access to an exceptional network of Grammar Women who have pursued diverse and interesting careers after School.

Grammar Women have achieved a number of significant firsts including the first woman:

Ms Margaret Mittelheuser AM (1947)	Stockbroker in Australia; university graduate to be employed directly from University to the Commonwealth Public Service in Queensland
Dr Eleanor Greenham (1894)	Registered physician (Queensland-born)
Ms Dorothy Brennan (1910)	Architect in Queensland
Dr Cherrell Hirst AO (1963)	Appointed Chancellor of the Queensland University of Technology; Chair of Brisbane Girls Grammar School Board of Trustees
Emeritus Professor Dorothy Hill AC (1924)	Professor at an Australian University; Fellow of the Academy of Science; President of the Australian Academy of Science; Emeritus Professor at the University of Queensland; President and Fellow of the Royal Society
Ms Ann Harrap (1984)	Australian High Commissioner to South Africa
Air Vice-Marshal Julie Hammer AM (1971)	Air Commodore in the Australian Defence Force
Justice Margaret McMurdo (Hoare, 1971)	Appointed to lead an appellate court in Australia; Paralegal in the Public Defender's Office
Ms Elizabeth Datson (1976)	Ship's master and marine pilot
Emeritus Professor Cheryl Praeger AC (1965)	President of the Australian Mathematical Society; awarded the Lyle Medal of the Australian Academy of Science
Dr Eva Popper (1951)	Obstetrician in Queensland
Ms Katharine McGregor (Ferguson, 1920)	Barrister in Queensland

THE JUNIOR SCHOOL

In 1875, six years before women were admitted to universities in Australia, Brisbane Girls Grammar School opened to provide girls an exemplary education grounded in the Grammar tradition of exceptional scholarship. At Girls Grammar, we educate girls and young women to be strong and independent thinkers, to achieve their potential, to be fearless in shaping their own lives and to contribute confidently to our collective future.

With only 100 students in each Year level, the Junior School will be a close community in which every girl is known and understood, has her needs cared for, and her talents recognised.

Our classrooms will be designed for young learners, with an inclusive learning environment conducive to active participation, and the holistic development of your daughter.

We will use the relationship between the Junior and Senior Schools to ensure our Year 5 and Year 6 students benefit from the extensive facilities and expertise of the whole school, while still enjoying a distinct primary school experience.

The arrival of our new and youngest students in 2026 will be an exciting time, marking a new era in Girls Grammar's long and distinguished history. The Junior School will prepare students for secondary education while retaining essential formative

experiences. The separation from the Senior School campus, both physical and experiential, ensures that transitioning to Year 7, whether from the BGGGS Junior School or other primary schools, remains a 'fresh start' for all students.

A rigorous and inspiring model for primary-aged girls is grounded in the School's philosophy of a broad, liberal education. There will be an emphasis on character development, student wellbeing, and the engagement of primary teachers that bring out the best in every child and nurture a sense of community and shared responsibility.

Brisbane Girls Grammar School was founded on a commitment to excellence in education that inspires a love of lifelong learning in students.

As we expand the School's educational offering, our leadership in the provision of an exemplary education, and reputation as one of Australia's leading girls' schools, will be maintained and strengthened.

Facilities

The Junior School building will be complete in time for the introduction of Years 5 and 6 at the start of 2026.

Junior School students will access the Senior Campus as required, including library and theatre spaces, the swimming pool, classrooms and nearby green spaces.

Junior School students will use the School's existing sporting (Rangakarra) and outdoor education (Marrapatta) campuses.

The Junior School will be accessible only to staff, students and families, with staff supervision and security in place.

Crossing Supervisors will assist students to safely cross Gregory Terrace.

The following facilities are available at Brisbane Girls Grammar School for use by the Junior School:

- 25-metre suspended swimming pool
- McCrae Grassie Indoor Sports Centre
- Rangakarra (sports fields)
- Research Learning Centre
- Science Learning Centre
- nearby green spaces.

FREQUENTLY ASKED QUESTIONS

WHY CHOOSE A GIRLS' SCHOOL?

For more than 148 years, Girls Grammar has educated, encouraged and supported girls through their formative years at secondary school, and prepared them to graduate as confident and well-rounded young women. Adolescent girls thrive in a learning environment with a specialised focus that nurtures and supports them through their teenage years. The environment we offer not only provides academic opportunity, but also provides a place where girls can aspire to leadership positions and benefit from strong and inspiring mentors within the School.

WHICH PRIMARY SCHOOLS DO GIRLS GRAMMAR STUDENTS COME FROM?

As an inner-city school at the edge of Brisbane's CBD, our catchment is large. Girls come from a diverse range of schools—approximately 66 per cent from state schools and 32 per cent from independent and Catholic schools, with the remaining girls coming from interstate or overseas.

Our girls also come from a wide range of cultural backgrounds and bring a multitude of life experiences with them. This diversity enriches our School community. In addition, as labour forces continue to globalise and mobilise, there is a growing number of families who join our School directly from interstate or international work postings. We embrace girls from all nationalities, but do not offer courses to girls wishing to study in Australia as an international student on a student visa.

DOES THE SCHOOL CATER ONLY TO GIRLS WHO ARE TALENTED ACADEMICALLY?

Brisbane Girls Grammar School is an academically non-selective school in the main years of entry, Year 5 and Year 7, and seeks to nurture the talents and interests of every girl. While our programs have a strong academic focus, they are carefully structured to be progressive learning experiences across a range of pursuits that will help unlock every girl's potential. Whether it is in sport, music, academic achievement, personal maturity, or the special capacity for friendship, leadership or service, all talents are nurtured and celebrated.

HOW DO YOU HELP STUDENTS TO SETTLE IN AND FEEL COMFORTABLE?

In the year prior to commencing at the School, families will be invited to a number of activities to ensure their daughter feels welcome and confident during the transition into her new school life. Importantly, this will also give her the opportunity to meet and form friendships with her future classmates, and for parents of future girls to meet.

HOW WILL YOU ENSURE MY DAUGHTER RECEIVES PERSONALISED ATTENTION AND THAT HER INDIVIDUAL NEEDS ARE CATERED FOR?

The Student Care Program, delivered through the House System and Ethics Program, ensures that each girl receives individual care and consideration. The extensive resources, activities and programs available at the School enable girls to pursue their interests. For example, we provide more than 120 co-curricular activities and opportunities to participate in national and international competitions, forums and study tours. The Floreamus Centre is a dedicated, combined space for the School's Health Centre and Psychologists. The team includes clinical psychologists, school nurses and mindfulness practitioners, who work together to ensure Grammar girls are socially, emotionally, and physically at their best and ready to learn.

DO YOU HAVE A RELATIONSHIP WITH A BOYS' SCHOOL?

Brisbane Grammar School is considered our brother school and the two schools join together for a number of activities including music performances, drama productions, the Year 11 Charity Social and various competitions. These cultural, social and academic activities with the boys support the developmental and social needs of our adolescent girls.

DOES GIRLS GRAMMAR OFFER SCHOLARSHIPS?

Brisbane Girls Grammar School is academically non-selective in its main years of intake (Year 5 and Year 7) and may offer bursaries to students entering into Year 7. Awarded on the basis of financial need and overall merit, the recipients may be entitled to either part or full fee remission. Only families who would otherwise experience difficulties in paying their daughter's tuition fees should apply.

CAN MY DAUGHTER AND I VISIT THE SCHOOL?

Families are welcome to attend the School's Open Day event, to be held on Friday 26 July 2024. Here, you will be able to meet current students, see the Spring Hill campus, and learn about the School's academic philosophy and outstanding co-curricular achievements.

Alternatively, families can book a tour of the School via the website. Please note, bookings are required and limited spaces are available.

IF MY FIRST DAUGHTER RECEIVES A PLACE OF ENROLMENT FOR YEAR 5, WILL MY OTHER DAUGHTER(S) AUTOMATICALLY RECEIVE AN OFFER?

No. All student enrolment applications are considered individually by the date of submission of application. Girls Grammar follows a non-selective enrolment process and does not have a sibling entry guarantee (or sibling discount), or an alumnae priority.

WHAT HAPPENS IF I DO NOT RECEIVE A FIRST-ROUND OFFER?

The School will continue to issue offers until an intake is at full capacity. It is difficult to predict whether this will happen after first-round offers, or if subsequent rounds will be needed—each intake is different.

WHAT HAPPENS IF I AM UNSUCCESSFUL IN SECURING A PLACE FOR MY DAUGHTER IN YEAR 5 (OR IN YEAR 6 2026)?

If families are unsuccessful in securing a place for Year 5 (or for Year 6 2026), their application will revert to Year 7 entry by date of submission of application.

IF I RECEIVE AN OFFER AND WISH TO ACCEPT IT, HOW DO I CONFIRM MY DAUGHTER'S PLACE?

If you receive an offer and wish to accept your daughter's place, you will be required to digitally sign the Enrolment Agreement and pay a (non-refundable) Confirmation Fee.

IF I ACCEPT AN OFFER FOR YEAR 5 (OR YEAR 6), BUT THEN CHANGE MY MIND, CAN I REVERT CONSIDERATION FOR YEAR 7 ENROLMENT?

Yes, but if you have already accepted a Year 5 (or Year 6) offer, your application for Year 7 will be considered 'new' and therefore, move to the end of the waitlist.

IF I DECLINE AN OFFER OF ENROLMENT FOR YEAR 5 IN FAVOUR OF CONSIDERATION FOR AN OFFER OF ENROLMENT FOR YEAR 7, WILL I MAINTAIN THE ORIGINAL APPLICATION SUBMISSION DATE?

Yes, if you receive an offer for Year 5 and do not accept it, you still maintain the date of your original application.

WHEN ARE OFFERS USUALLY ISSUED?

The Year 5 intake and Year 7 intake will be issued three years prior to entry year. The exception to this is Year 5 2026 and Year 6 2026 which will be offered two years prior to entry in 2024.

\\ JUNIOR SCHOOL ENROLMENT INFORMATION

Historically, the main year of entry to Brisbane Girls Grammar School was Year 7, however with the introduction of the Junior School in 2026, Year 5 will also become a main year of entry.

Families who have made an application for enrolment in Year 7, may choose to be considered for enrolment in Year 5. The enrolment process for Year 5 will be the same as the Year 7 process, that is enrolment offers will be made by date order of application submission.

Should families be unsuccessful in securing a place for their daughter in Year 5, her application will revert to the Year 7 waitlist, at the date the application was originally submitted.

Please note that the opportunity for enrolment in Year 6 applies only to the Junior School's inaugural year, 2026.

Applicants on the Year 7 2027 enrolment waitlist will have the opportunity to be considered for this one-off intake.

SUBMIT YOUR ENROLMENT APPLICATION

The School invites new applications for Year 5 and Year 7 entry via the online form on our website. For information about the enrolment process, and to complete the Online Application, please visit www.bggs.qld.edu.au/enrolment

INFORMATION FOR FAMILIES WITH AN EXISTING APPLICATION

The below information outlines the 'next steps' for families with a current application.

THE YEAR LEVEL SELECTION FORM

Families with an application for their daughter to commence in Year 7 will be invited to complete a Year Level Selection form. The selection form allows you to indicate your preferred year of entry for your daughter and the choice you make on this form will be binding. As this decision will directly impact any enrolment offer you may receive, it should be considered very carefully. The School acknowledges this is a significant decision for families, and will endeavour to make the process as simple and clear as possible.

Next Steps for families with a Year 7 2027 and/or Year 6 2026 Application	February 2024	Parent Information Evening Including detailed information about Years 5 and 6
	March 2024	Binding Year Level Selection Form is due
	March 2024	Offers are issued for Year 6 2026 (First Round)
	May 2024	Offers are issued for Year 7 2027 (First Round)
Next Steps for families with a Year 7 2028 and/or Year 5 2026 Application	May 2024	Parent Information Evening Including detailed information about Years 5 and 6
	May 2024	Binding Year Level Selection Form is due
	May 2024	Offers are issued for Year 5 2026 (First Round)
	March 2025	Offers are issued for Year 7 2028 (First Round)
Next Steps for families with a Year 7 2029 and/or Year 5 2027 Application	June 2024	Parent Information Evening Including detailed information about Years 5 and 6
	July 2024	Binding Year Level Selection Form is due
	July 2024	Offers are issued for Year 5 2027 (First Round)
	March 2026	Offers are issued for Year 7 2029 (First Round)
Next Steps for families who have made an application prior to 17 July 2023 for Year 7 2030 and beyond	October 2024	Binding Year Level Selection Form is due
	The offer process then commences three years prior to intake as per usual timeline	

For families who have made an enrolment application after 17 July 2023 for Year 5 2028 or Year 7 2030 and beyond, your selected intake applies.

IN SUMMARY

Places for Years 5 and 7 will be offered in strict date order of submission of your original application. The enrolment offer process begins three years prior to entry year, with the exception of Year 5 2026 and Year 6 2026 which will be enrolled two years prior to start year.

The first step of the enrolment offer process is an invitation to the Parent Information Evening specific to your intake. This event occurs three years prior to entry and provides you with an opportunity to ask the Principal, and Senior staff, any further questions you may have.

The first round of enrolment offers are issued following this event, and offer rounds will continue until each intake reaches capacity. Please note: the intake may either reach full enrolment after the first round of offers or, further offers may be required.

To accept an offer and confirm your daughter's place of enrolment at Girls Grammar, you need to digitally sign the *Enrolment Agreement* and pay a (non-refundable) Confirmation Fee.

During the year prior to your daughter's entry you will be required to pay Advance Fees. This amount is credited to the first Term's Tuition Fees, however if you cancel your daughter's enrolment after the Advance Fees payment, the amount is forfeited as fees in lieu of notice.

If you have any further questions, please contact the Enrolments Department on 07 3332 1436 or enrolments@bggs.qld.edu.au

ENROLMENT PROCESS

OFFERS OF ENROLMENT

The enrolment process for the Year 5 and Year 7 intakes commences three years prior to entry with a first round of offers made to applicants on the School's Enrolment waitlist, in strict date order of receipt of application. If the intake has not achieved full enrolment, further rounds of offers are issued in succession, until the intake achieves full enrolment. Any offers of enrolment made outside this timeframe, are considered late offers. The Principal may elect to issue late offers to applicants on the School's enrolment waitlist at any time to ensure the intake commences the entry year at full enrolment.

All offers of enrolment at Brisbane Girls Grammar School are made at the sole discretion of the Principal.

The School does not offer enrolment preference to siblings and/or daughters of alumnae.

ACCEPTING A PLACE OF ENROLMENT

A place of enrolment offered by the School is accepted when parents provide the School with a properly executed copy of the Enrolment Agreement (EA) and pay the Enrolment Confirmation Fee. The Enrolment Confirmation Fee is a non-refundable and non-transferable payment made to secure the place of enrolment until the Advance Fees are due. Advance Fees are a non-refundable and non-transferable amount paid during the year prior to entry which is credited to the student's first term Tuition Fee.

Enrolment Agreement (EA)—The EA must be signed by both parents (or other persons who have documented legal responsibility for the applicant).

Offers of places of enrolment are conditional upon receipt of the following documents:

School reports—The provision of school reports and NAPLAN results demonstrating successful completion of the prior two years of education at an Australian school (or an equivalent overseas school where the main language of instruction is English) to a standard that will not disadvantage the applicant upon enrolment in the School's academic programs.

Proof of English language proficiency—All applicants must be proficient in the English language appropriate for the entry-year level to ensure their readiness to successfully meet the curriculum demands of the School. An applicant who is unable to demonstrate English language proficiency based on her school reports must provide a certificate of English fluency from the Australian Education Services (www.aeas.com.au). The minimum standard outlined in the School's Enrolment Terms and Conditions

CHANGES TO AN ENROLMENT APPLICATION

The School must be notified of any change to the parent contact details provided on the enrolment application, noting that if the School is unable to contact parents, the applicant's place on the School's enrolment waitlist will be forfeited. Parents should advise the School as soon as possible if they wish to change the intake or entry year for their daughter, noting that if the offer process for the intake or entry year has commenced, an offer of a place cannot be guaranteed.

HOUSE ALLOCATION

Prior to entry, enrolled students are allocated to one of the School's Houses. Students and/or their families are not able to choose the House, although the School endeavors to maintain close family connections to a House where these are advised in advance and where it is operationally possible to do so. The School reserves the right to allocate students to Houses as best suits the operational needs of the School, and the final decision on all House allocations rests with the Principal.

ORIENTATION

In the year before commencement, enrolled students and their parents attend an orientation interview with their Head of House. Families are also invited to orientation events at the School to meet staff and other families commencing with their daughter.

Historically, Girls Grammar's main year of entry was Year 7, however with the introduction of a Junior School (Years 5 & 6) in 2026, Year 5 will also become a main year of entry. Places in Year 6 and Years 8 to 11 are offered at the discretion of the Principal, and we encourage families interested in places for their daughters in these years to enquire through the Enrolments Office, and complete an Expression of Interest form via our School website. The School does not enrol new students into Year 12.

FEES

Enrolment Application Fee \$500 (inc GST) Enrolment Confirmation Fee \$2 100

The Application Fee is payable at the time of lodging an application. The Confirmation Fee is payable at the time of formal acceptance of the School's offer of enrolment and execution of the Enrolment Agreement. Fees are not refundable or transferable and are subject to change.

Advance Fees

Parents of girls enrolling as new students are required to pay the School an Advance Fee of \$2000. This amount is non-refundable and will be credited to the first Tuition Fee instalment. Should parents cancel their daughter's enrolment after payment of the Advance Fee, the \$2000 is forfeited to the School as fees in lieu of notice. Should the enrolment be cancelled after the first day of Term 4 in the year prior to commencement, full Term 1 fees will be charged as fees in lieu of notice. Advance Fees are non-transferrable to a later year of entry.

Tuition Fees

Brisbane Girls Grammar School has an all-inclusive fee policy which covers both the cost of tuition, and also a wide range of curricular and co-curricular activities. This approach is guided by our belief that experiencing learning beyond the classroom is an essential part of the social, emotional and cognitive development of students. In addition, the fees cover: academic camps; the visual and performing arts program; group music tuition; class excursions; QGSSSA, club and other sporting nominations; provision of qualified sports coaches and creative arts instructors; and use of the library, printing and Internet facilities.

The costs of curricular items such as textbooks (excluding digital resources included in Tuition Fees), language periodicals, and specialised equipment/materials are a parent responsibility. The Tuition Fee does not include the costs of: co-curricular and sporting camps/tours; other nominated, special or voluntary activities; and some sporting club levies and registration fees. Parents are notified of these costs by correspondence from the School and they are separately charged to fee accounts. Fees for private lessons are paid direct to the person providing the service. Parents receive a separate account for these lessons from the teachers, tutors or coaches concerned.

2024 Tuition Fees Years 7 to 12

\$7 513.50 per term
(4 billings per annum)

OR

\$3 021.40 per month
(10 instalments per annum including admin fee)

OR

\$30 054 per annum

Please note: tuition fees and charges are subject to annual review.

Payment dates and charge on overdue accounts

For planning purposes, parents are advised annually of the due dates for payment of fees and again with each billing statement. Payments not received by the due date are considered to be in arrears and in breach of the Enrolment Agreement. Accounts in arrears will be subject to an administrative charge, which is made in accordance with School policy.

Discounts

Discounts for Tuition Fees are available where annual fees are paid in advance in one instalment and are received on, or prior to, the due date notified by the School. Please refer to the Tuition Fee Schedule on the School's website for further information.

Termination of enrolment

Should parents wish to terminate their daughter's enrolment prior to her completion of Year 12, written notice of enrolment withdrawal must be made to the Principal and received by the School no later than the first day of the term at the end of which it is intended she should leave, or if it is intended she should leave during the term, no later than the first day of the preceding term.

Parents failing to comply with this requirement will pay or forfeit (as the case may be) to the School one term's fees in lieu of notice.

Board Policy

The Board of Trustees (Board) is responsible for the development of the School's Fee Payment Policy (Policy). The Policy, and the fees and charges payable pursuant to it, are subject to review by the Board.

Notice of any change to the Policy or the fees may be given to parents by mail or email, and made available to the School community via the School's website.

A complete copy of the School's Tuition Fee Schedule is on our website at bggs.qld.edu.au/enrolment/fees
